1.5 times more polyphenols
than red wine

with 100% red-bean
from Hokkaido

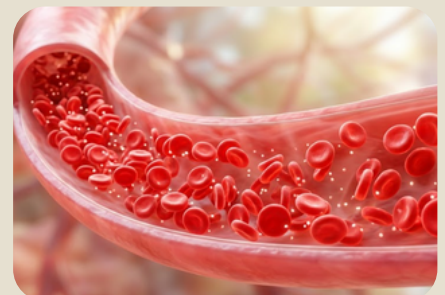

Polyphenol

Anti-Aging and Antioxidant Benefits
Adzuki beans boast some of the highest antioxidant levels among all beans, packing roughly 1.5 to 2 times as much as red wine!

Dietary Fiber

Dietary Fiber It contains dietary fiber that has both insoluble and soluble properties.

Potassium & Saponin

Potassium, which flushes out excess water, and saponin, which keeps blood vessels clean, work together to improve your body's circulation.
