

Contents	Details
Product Name	Dried Hoto Noodle
Manufacturer	Shinyoshi
Place of Manufacture	Japan
Net Weight	150g
Unit Price (JPY, EXW)	210JPY *Soup is not included
Shelf Life	730 days
Ingredients	Wheat flour (domestically produced), salt (partially contains wheat)
JAN CODE	4905626110880
Carton Quantity	50 pcs
Product Size	90mm*260mm*10mm
Carton Size	(W)300mm*(D)260mm*(H)120mm
Storage Instructions	Room temperature, away from direct sunlight
Country of Origin	Japan
Nutrition Facts per 100g	Energy 333 kcal, Protein 9.8g, Fat 1.2g, Carbohydrates 70.8g, Salt equivalent 4.3g. (For reference only.)
Allergens	Wheat

Hoto Noodle 150g

Thin-Flat Noodle

How to make traditional Hoto Udon for two servings

Ingredients

- Hoto flat udon noodles 1 bag (150 g)
- Miso 1 bag
- Chicken thigh approx. 80 g, cut into bite-size pieces
- Green onion (leek) stalk, cut into medium pieces
- Dried shiitake or fresh mushrooms 2-3 pieces, thinly sliced
- Vegetable oil a little
- Chinese cabbage, daikon radish, shimeji mushrooms, burdock root, carrot, taro, etc.

* Ingredients above are suggestions feel free to adjust.

In a large pot (a wide, shallow pot works best), add 1,100 ml of water along with all the cut vegetables and chicken. Bring to a boil.

Once boiling, add the hōtō noodles one by one without overlapping, then stir. Start on high heat, then reduce to medium after the second boil. Add miso separately and simmer on medium-low heat until done.
