

Sakura Gelée

500g

Add Sakura
Color, Taste,
and the petals
to your drink!

Simply mix with cider or soda to elevate your everyday into a special, fleeting escape. Infused with rich Kanzen-zakura extract sourced from Nagano, it brings the essence of a Japanese spring to life, letting you feast your eyes on natural cherry blossom petals dancing gracefully in your glass.

Sakura-mau Jelly

Foodservice · 500 g pouch

Japanese Cherry-Blossom Dessert Jelly — with real salt-pickled sakura petals

- 🌸 **Authentic Japanese sakura** — real salt-pickled cherry-blossom petals suspended in a delicate jelly for instant seasonal “hanami” appeal.
- 🌸 **One base, many uses** — dessert sauce & topping, drink & cocktail base, parfaits, mochi, cream folding — or served as is.
- 🌸 **Beautiful plating** — translucent pink jelly with visible petals elevates spring & premium menus.
- 🌸 **Easy to stock** — ambient storage and a 730-day shelf life make seasonal rollouts simple.
- 🌸 **Consistent pro format** — resealable 500 g pouch; portion exactly what you need.
- 🌸 **Made in Japan** — by Uenochu Co., Ltd. (Osaka), produced in Hiroshima.
